

SANGALABROR PUJIANTO

COMPUTER
SCIENCE STUDENT
(UGM)

/ PROFILE

January 12, 2000

A motivated individual who aspires to be a Software Developer that specializes in fullstack software development. I consider myself to be versatile and can adapt and overcome different challenges. Quite skilled in problem solving efficiently.

I have spent a lot of time around different technologies at an early age, which has intrigued my interest in technology. Through this I become quite passionate deciding to pursue my degree in Computer Science.

/ LANGUAGE

English
Indonesian
French
